CLARIFICATION OF TECHNICAL SPECIFICATIONS

Gentlemen:

Georgia Power Company has received your April 10, 1980, letter which clarifies the intent of the OPERABILITY statement in the Technical Specifications. In your letter we were requested to propose modifications to our existing Technical Specifications to incorporate the revised and clarified wording.

Please be advised that Georgia Power Company expects to complete our review of your request by June 13, 1980.

Very truly yours,

W. A. Widner
Vice President and General Manager
Nuclear Generation
