Docket No. 50-269

Mr. Edward J. Bauser
Executive Director
Joint Committee on Atomic
Energy
Congress of the United States

Dear Mr. Bauser:

Two copies of a Safety Evaluation by the Division of Reactor Licensing dated December 29, 1970 are enclosed for the information of the Joint Committee. The document relates to the operation of Duke Power Company's Oconee Nuclear Station Unit 1 on the applicant's site in Oconee County, South Carolina.

Sincerely,

(Signed) H. L. Price

Harold L. Price
Director of Regulation
