

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

August 29, 1979

MEMORANDUM FOR: R. Budnitz  
R. Haynes  
W. Johnston  
W. Parler

FROM: B. C. Doyle

SUBJECT: CONFERENCE WITH ESSEX CORPORATION

Don Sullivan joined the SIG staff on August 28 to coordinate the Human Factors Contract with Essex until such time as Gordon Chipman returns to the Inquiry and gets up to full speed. Since Don will be on leave next week, we have set up a meeting with the Essex personnel on this coming Friday, August 31, at 1300.

The meeting will be held at the Essex Office, 333 North Fairfax Street, Alexandria, Virginia. This will give us an opportunity to see the Essex facilities. The best way to reach their office is to take George Washington Parkway into Alexandria, left on Queen Street and left on Fairfax to 333. There is limited visitor parking.
