Mr. Marvin R. Peterson
Acting Assistant Director
U. S. Nuclear Regulatory Commission
Export/Import and International Safeguards
Office of International Programs
Washington, DC 20555

Dear Mr. Peterson:

Subject: NRC Export License XR-88

It is requested an amendment to the subject license be issued to change the expiration date to read July 1, 1982. This amendment request does not change the scope or value of the existing license and will be used only to permit sufficient time to export the remaining 10% of the equipment.

Please contact me should you have any questions relating to this request.

Very truly yours,

R. C. Hobrough
