Gentlemen:

This refers to the inspection conducted by Messrs. Vallish, Warnick, and Herdt on November 20-21, 1972, of the activities authorized by AEC Construction Permit No. CPPR-51 for the Crystal River 3 facility at Crystal River, Florida, and the discussions of our findings held with Messrs. Jackson, Froats and others of your staff at the conclusion of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures, interviews with plant personnel and observations by the inspectors.

Within the scope of the inspection, no violations or safety items were identified.

Two new unresolved items resulted from this inspection. These are identified in Section III of the report summary.

We have also examined actions you have taken with regard to previously identified unresolved items. The status of these items is identified in Section IV of the report summary.

A copy of the report of this inspection is enclosed. In accordance with Section 2.790 of the AEC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room.

If this report contains any information that you (or your contractors) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

A reply to this letter is not necessary. However, should you have any questions concerning this letter, you may communicate directly with this office.

Very truly yours,

John G. Davis
Director
