St. Petersburg, Florida 33733

Attention: Mr. J. T. Rodgers
Assistant Vice President

Gentlemen:

One hundred copies of our report, "Verification Study of Dames & Moore's Hurricane Storm Surge Model with Application to Crystal River Unit 3 Nuclear Plant, Crystal River, Florida, for Florida Power Corporation," are herewith submitted.

Should you have any questions regarding this report, please contact us.

It has been a pleasure working with you on this study.

Very truly yours,

DAMES & MOORE
