Docket No. 50-302
Ref. CDR-77

Gentlemen:

Thank you for your letter dated February 8, 1973, identifying Babcock & Wilcox Report BAW-1402, dated January 1973, as your final report concerning incomplete records certifying the weld metal used in the fabrication of the steam generators for your Crystal River facility. This report is currently being reviewed, and the results of this review will subsequently be communicated to you through our office in Atlanta, Georgia.

Your cooperation concerning this matter is appreciated.
