Mr. L. Manning Muntzing
Director of Regulation
U.S.A.E.C.
Washington, DC 20545

Dear Mr. Muntzing:

We wish to extend an invitation to you and members of your staff to attend our "Sixth Semi-Annual Review of Environmental Research Programs at Crystal River." As you are aware, these research programs are being conducted principally in the interest of assessing the environmental impact of the Unit #3 nuclear plant.

As in the past, this meeting will provide an opportunity for you to participate in an interchange of ideas with the researchers in an effort to direct a better understanding of our environmental problems and their solutions. Of particular interest will be the discussions concerning marine organism entrainment and thermal effects on the benthos.

The meeting is planned to begin at 9:00 a.m., Friday, May 11, 1973, and will extend through the day--lunch will be provided. The meeting site is located approximately 7-1/2 miles north of Crystal River, Florida, west of U. S. 19. You will receive directions for parking arrangements at the guard shack as you arrive at the site.

Please advise us before April 30, 1973, if you plan to attend. Our address is P. O. Box 14042, St. Petersburg, Florida 33733. Please address your response to our secretary Ms. Nancy Stephens. The phone number here is (813) 866-5274.

We sincerely look forward to your participation with us on May 11.

Very truly yours,

J. T. Rodgers
Asst. Vice President

FLORIDA POWER CORPORATION
SIXTH SEMI-ANNUAL REVIEW OF ENVIRONMENTAL RESEARCH
PROGRAMS AT CRYSTAL RIVER
May 11, 1973

AGENDA

- 9:00 A.M. Opening Remarks - Florida Power Corporation.
9:15 A.M. Environmental Research Programs at Crystal River - Florida Power Corporation.
9:30 A.M. Discussion.
9:45 A.M. "Independent Environmental Study of Thermal Effects of Power Plant Discharge at Crystal River" - Marine Science Institute, University of South Florida.
10:30 A.M. Discussion.
10:45 A.M. Break.
11:00 A.M. "Evaluation of the Marine Ecosystem Developing Within, and Adjacent to the Thermal Plume of the Power Generation Units at Crystal River, Florida" - University of Florida.
11:45 A.M. Discussion.
12:00 Noon Lunch.
1:00 P.M. "Environmental Surveillance of Radioactivity in the Vicinity of Crystal River Plant: An Ecological Approach" - University of Florida.
1:30 P.M. Discussion.
1:45 P.M. "Pre-operational Radiological Survey of Crystal River" - Florida Department of Health and Rehabilitative Services.
2:15 P.M. Discussion.
2:30 P.M. "A Supplementary Zooplankton Survey at the Crystal River Plant Site" - University of Florida.
3:00 P.M. Discussion.
3:15 P.M. Break.
3:30 P.M. "Entrapment of Marine Fauna on the Intake Screens of the Crystal River Power Plant" - University of Florida.
4:00 P.M. Discussion.
4:15 P.M. Closing Remarks.
4:30 P.M. Adjourn.
