In Re: Florida Power Corporation
Crystal River Nuclear Generating Plant
Docket No. 50-302

Dear Mr. Giambusso:

Enclosed for your information and use are twenty-two (22) copies of Environment, Volume 1, Number 1, Fall - 1973, Florida Power Corporation.

In the past you have been receiving copies of the Environmental Status Report, which was discontinued subsequent to the October, November, December/January, February, March 1972 - 73 issue.

The new format was adopted to provide a much less detailed publication which would be more readable and better received by a diverse group of recipients.

We will continue to send copies of future issues unless advised otherwise. Please feel free to contact us if further discussion is desired.

Yours very truly,

Joel T. Rodgers
Assistant Vice President
