Dear Sir:

In re: Florida Power Corporation
Crystal River Nuclear Generating Plant
Docket Nos. 50-302 and 50-303.

Regulatory Suppl File Cy.

We attach for your information and record twenty-two (22) copies each of two letters acknowledging receipt of our Preliminary Safety Analysis Report by the Florida Board of Conservation and Florida State Board of Health Bureau of Sanitary Engineering. Both of these agencies have jurisdiction affecting approvals for the construction of this plant.

While not required by the regulations, it is our intent that these people will receive such amendments as are required from time to time.

Yours very truly,
