Mr. William Conley, Deputy Director
Program Management Division
Office of Research & Monitoring
Environmental Protection Agency
Room 300-6
141 N. Street, S.W.
Washington, D.C. 20540

Dear Mr. Conley:

Transmitted for your review is the study program prepared by Florida
Power Corporation's Crystal River Unit No. 3. Your initial reaction
and comments to this proposal are requested prior to March 30, 1973.

Please direct your comments to me at the above address (Room 300-6).

Sincerely,

W. E. Regan, Jr., Chief
Environmental Projects Branch #2
Bureau of Licensing
