Subject: Docket No. 50-302

Dear Mr. Schwencer:

With regard to your letter of December 4, 1974, we wish to advise you that to the best of our knowledge, Florida Power Corporation's docketed Quality Assurance Program generally follows the guidance of WASH 1283, 1284, and 1309. We are, at present, studying the applicability of each of the standards referenced in these documents to our Quality Assurance Program.

Should it be necessary for us to take exception to specific provisions in the referenced guidelines, we will identify these conditions and outline our program alternative approach to you.

Very truly yours,

J. T. Rodgers  
Asst. Vice President
