Docket No. 50-312
Rancho Seco Nuclear
Generating Station

Attention: John J. Mattimoe
Assistant General Manager
and Chief Engineer

Gentlemen:

This refers to the inspection conducted by Mr. A. D. Johnson and R. F. Fish of this office on August 14, 19, 20 and September 3-5 and 11-13, 1974 of activities authorized by AEC License No. DPR-54 and to the discussion of our findings held by Mr. Johnson with Messrs. J. Mattimoe, D. Raasch, R. Rodriguez and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

No violations of AEC requirements were identified within the scope of this inspection.

In accordance with Section 2.790 of the AEC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 20 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that the information is proprietary. The application should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
