Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
Attn: Mr. A. Dromerick
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

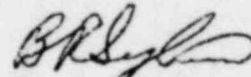

Serial No. 313
PO/LAJ:baw
Docket No. 50-339

Dear Mr. Denton:

This letter responds to a telephone inquiry from Mr. A. Dromerick on April 2, 1980. Mr. Dromerick was forwarding a question from Commissioner Gilinsky regarding availability and adequacy of procedural guidance for the shift supervisor of an unaffected reactor when the companion unit is undergoing an emergency.

Veeco commits to establishing procedures at North Anna Power Station to deal with situations as described above. The procedures will be approved for station use prior to initial criticality of North Anna Unit 2.

Very truly yours,

B. R. Sylvia
Manager-Nuclear Operations
