March 10, 1980

Mr. David Dopsovic  
Department of Justice  
Antitrust Division  
Washington, D.C. 20530

Dear Dave:

As discussed in our telephone conversation of Monday, March 10, 1980, Houston has agreed to forego the deposition of the Department's former expert witness, Mr. William Scott, in return for the Department's stipulation and agreement that the documents produced to Houston out of Mr. Scott's files are business records within the meaning of Rule 803(6) of the Federal Rules of Evidence.

Consequently, Mr. Scott's deposition scheduled for March is canceled. This cancellation is, of course, based upon the Department's earlier representation to the Board that Mr. Scott would not be called as an expert witness. Should the Department decide otherwise, Houston reserves its right to further depose Mr. Scott concerning work done and opinions reached subsequent to his last deposition.

Very truly yours,

  
J. Michael Baldwin
