Gentlemen:

The next meeting of the Vermont Yankee Environmental Technical Advisory Committee will be on Friday, May 9, 1980, at 10:00 a.m. at the Holiday Inn in White River Junction, Vermont.

The agenda will include the following:

1. Review of our annual environmental monitoring report Ecological Studies of the Connecticut River, Report IX, covering the calendar year 1979. A copy of this report is enclosed for your examination.
2. NPDES permit renewal efforts.
3. Efforts toward modification of the Nuclear Regulatory Commission's Environmental Technical Specifications.
4. Update on the Atlantic salmon smolt radio telemetry program.
5. Other items as appropriate.

Most sincerely,

*Daniel J. Marx*
