Subject: Crystal River Unit 3  
Docket 50-302  
Operating License No. DPR-72  
IE Bulletin 79-27

Dear Mr. O'Reilly:

On February 29, 1980, Florida Power Corporation stated that more time was required to complete our review and evaluation of the Non-Class II instrumentation and control power systems at Crystal River Unit 3 as a result of IE Bulletin 79-27, "Loss of Non-Class II Instrumentation and Control Power System Bus During Operation." We also stated that we would notify you as soon as possible of our schedule for completion of this effort.

Florida Power Corporation will complete the review and evaluation required by IE Bulletin 79-27 and will submit on or before April 26, 1980, a report describing our reviews and actions taken in response to each item.
