Reference: Letter from S. L. Daltroff to T. A. Ippolito
dated March 27, 1980

Dear Mr. Clark:

The above referenced letter provided information concerning analog transmitters and trip units as addressed in our Amendment request submitted on August 27, 1979. In the letter it was stated that a copy of our response to Bulletin 79-01B concerning environmental qualification of Class IE equipment would be forwarded to T. A. Ippolito at the time of submittal to the Office of Inspection and Enforcement. Please find enclosed a copy of our April 15, 1980, response including a two volume attachment containing Peach Bottom Units 2 and 3 system master lists and equipment qualification forms for Mr. Ippolito.

Should you have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,

W. M. Alden
Engineer-In-Charge
