Dear Mr. Donovan:

This letter is to advise you that you should contact Jerry Jacobs of this office in regard to any future questions you may have concerning the use of BLM administered lands near Edgemont, South Dakota for a uranium tailings disposal site.

We would appreciate being kept up to date on any new proposals which might ultimately affect the BLM lands in question and would also appreciate as much lead time as possible to review the draft EIS on the decommissioning plan.

Please feel free to contact our office at 232-4331 (406) if you have any questions regarding this issue.

Sincerely yours,

District Manager
