IN RESPONSE REFER  
TO FOIA-80-173

Dear Mr. Murray:

This is in response to your undated letter in which you requested, pursuant to the Freedom of Information Act, information regarding NRC educational and training requirements for nuclear power plant security force personnel and minimum requirements for use of weaponry and communication equipment needed for the Enrico Fermi II Nuclear Power Plant.

In response to your request, please find enclosed the documents listed in Appendix A. The information furnished pertains to all NRC licensees including the Detroit Edison Company which runs the Enrico Fermi II Plant.

This completes action on your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".

J. M. Felton, Director  
Division of Rules and Records  
Office of Administration
