Subject: Arkansas Nuclear One-Unit 2
Docket No. 50-368
License No. NPF-6
Monthly Operating Report - Corrections
(File: 2-0520.1)

Gentlemen:

Attached are corrections to the subject report for March, 1980. The correction on commercial operation date makes the report consistent with the operating narrative and the change on the "Refueling Information" sheet corrects a typographical error.

Very truly yours,

David C. Trimble
