Subject: Security Plan Revisions (Docket Numbers: 50-373 and
 50-274)

Dear Mr. Denton:

Enclosed are five copies of Revision 6 of the LaSalle County Station Security Plan. The revision includes changes which assure consistency with 10 CFR 73, Appendixes B & C, and editorial changes intended to assure clarity of commitments. Because of the large number of editorial changes which affected most pages, side margin change indicators have not been included in the revision.

The enclosures contain proprietary security information and should be withheld from public disclosure in accordance with 10 CFR 2.790(d).

Sincerely,

D. L. Peoples
