Reference: L. S. Rubenstein Letter to D. Louis Peoples, Dated March 28, 1980, Subject: First Round Questions on the Braidwood OL Application - Safeguards Contingency Plan

Dear Mr. Denton:

Enclosed are five copies of Revision 2 of the Braidwood Station Security Plan. The revision includes changes to Appendix C which respond to the reference letter and other editorial changes intended to assure clarity of commitments. Because of the large number of editorial changes which affected most pages, side margin change indicators have not been included in the revision.

The enclosures contain proprietary security information and should be withheld from public disclosure in accordance with 10 CFR 2.790(d).

Sincerely,

D. L. Peoples
 Director of
 Nuclear Licensing
