and 50-509

Mr. H. R. Denton  
Office of Nuclear Reactor  
Regulation  
U. S. Nuclear Regulatory Commission  
Washington, DC 20555

Subject: ASSIGNMENT OF WPPSS LICENSING ENGINEER--WNP-3/5

Dear Mr. Denton:

The purpose of this letter is to advise you and members of your staff of a recent change in the assigned licensing engineer at our WPPSS nuclear projects 3 and 5 (WNP-3/5).

Mr. Kenneth W. Cook has been assigned the responsibility of Licensing Engineer at WNP-3/5 and will provide the point of contact with your personnel for that project.

In order to assure that all communications from your office receive prompt attention at the WNP-3/5 site, it is requested that Mr. Cook be placed on copy coverage for all correspondence from your staff relative to WNP-3/5. Mr. Cook's mailing address is:

Mr. Kenneth W. Cook  
Washington Public Power Supply System  
P. O. Box 1223  
Elma, Washington 98541

Your favorable action on this request is appreciated.

Very truly yours,

  
D. V. RENBERGER
