U. S. N. R. C.
Washington, D. C. 20555

Dear Dr. Ahearne:

Re: Low Level Licensing of North Anna 2
NRC Commissioners Meeting - April 2, 1980

Questions:

What is the basis for selecting
Essex Corporation?

What is the (a) Crystal River Syndrome?

Comment:

The public is entitled to
better performance considering
the high cost of NRC bureaucrats.
