Gentlemen:

This refers to the inspection conducted by Messrs. D. L. Kelley and L. A. Yandell of this office during the period of April 14-17, 1980, of activities authorized by NRC Operating Licensee DPR-40, and to the discussion of the findings with members of your staff at the conclusion of the inspection.

Principle areas examined during the inspection were the licensee's: (1) Implementation of NUREG 0578, Category A items; (2) Fire protection commitments for the 1980 refueling outage; (3) Progress on IEB 79-02 and IEB 79-14; and (4) Follow-up on items of noncompliance and deviations.

Within the scope of this inspection, no items of noncompliance were identified.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you or your contractors believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons for which it is claimed that the information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
