PART I.A -- FEES

AMOUNT
\$236.05

- You will be billed by NRC for the amount indicated.
- You will receive a refund for the amount indicated.
- Fees waived.
- Since the minimum fee threshold was not met, you will not be charged fees.
- Due to our delayed response, you will not be charged search and/or duplication fees that would otherwise be applicable to your request.

PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- We did not locate any agency records responsive to your request. *Note:* Agencies may treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). See 5 U.S.C. 552(c). This is a standard notification given to all requesters; it should not be taken to mean that any excluded records do, or do not, exist.
- We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.
- You may appeal this final determination within 90 calendar days of the date of this response. If you submit an appeal by mail, address it to the FOIA Officer, at U.S. Nuclear Regulatory Commission, Mail Stop T-6 A60M, Washington, D.C. 20555-0001. You may submit an appeal by e-mail to FOIA_resource@nrc.gov. You may fax an appeal to (301) 415-5130. Please be sure to include on your submission that it is a "FOIA Appeal." Only a pre-registered user may file an appeal through FOIA Online, <https://foiaonline.gov/foiaonline/action/public/home>. A user who has not registered an account prior to filing the initial FOIA request may still submit their appeal by one of the above mentioned options.

PART I.D -- COMMENTS

We note that, before submitting this FOIA request, you had already solicited the assistance of NRC staff in the Public Document Room (PDR) in locating the record. They were unable to locate the requested record and suggested that you submit a FOIA request. Upon receipt of your FOIA request, we tasked the Records Resource staff to search for the record; they were unable to locate it. In addition, in an effort to try and locate the record for you, our office went outside of the U.S. Nuclear Regulatory Commission by searching osti.gov, which is the U.S. Department of Energy Office of Scientific and Technical Information. Our effort was also unsuccessful.

You will receive an invoice in the amount reflected on page 1, based upon the 3 1/4 hours spent by NRC staff in searching for the requested record.
