

Proposed Amendment to Oconee Facility Operating Licenses

DPR-38, -47, -55

Amend Condition 2 by adding paragraph F as follows:

- F. Pursuant to the Act and 10CFR Parts 30 and 70, to receive and possess such byproduct and special nuclear material contained in not more than four fuel assemblies irradiated in Florida Power Corporations's Crystal River 3 power reactor (Docket No. 50-302).
