Dear Sirs: In re: Duke Power Company
Docket Nos. 50-269, 50-270, 50-287

The Atomic Safety and Licensing Board inquires if there is any objection by any party to the following proposal to correct the transcript:

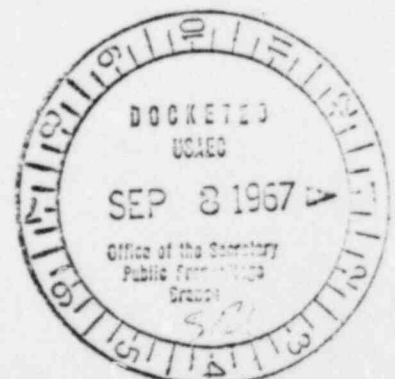

Delete "cause" in line 20 on old page 274,
new page 364.

The Board also inquires if the word "minor" should be "major" in line 3 on old page 281, new page 371.

Very truly yours,

Samuel W. Jensch
Samuel W. Jensch, Chairman
Atomic Safety and Licensing Board
