Dear Mr. Robison:

Thank you for your letter of April 11, 1980 requesting information on the safe management of hazardous materials. As a consequence of a conversation between a member of my staff, Mr. Andrew Robart, and Ms. Jinny Bass, Director of your office, I am sending you several documents which address matters raised in your letter over which the Nuclear Regulatory Commission exercises some regulatory authority. If we can be of further assistance to you, please contact Andrew Robart at (301)492-7794.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert G. Ryan", is written over the typed name.

Robert G. Ryan, Director
Office of State Programs
