Dear Harold,

This is to confirm that the representatives of Duke Power look forward to seeing you at 9:00 a.m. on Thursday, December 1st, at your office in Bethesda, Maryland. As you will recall, we are to have a meeting with Dr. Morris and his associates after we complete the session in your office.

I will provide your office with a list of attendees prior to the session. Present plans are, however, that Mr. Carl Horn, who is Vice President and General Counsel as well as a Director, together with Mr. William Lee, Vice President of Engineering, will be the senior Duke representatives present.

With best regards.

Sincerely,

*Roy*
