ENVIRONMENT

Gentlemen:

The documents identified below which have been prepared by the Atomic Energy Commission in connection with Duke Power Company's application for a license to operate the Oconee Nuclear Station Unit 1 are enclosed,

This information is to be made available to Federal, State and local officials in accordance with procedures set out in the Office of Management and Budget Circular No. A-95 (Revised), and the Commission's regulations in Appendix D to 10 CFR Part 50.

If you receive inquiries from interested members of the public concerning the availability of the Final Detailed Statement concerning Unit 1 at your location, those individuals should be advised that copies of the Commission's Final Detailed Statement on the environmental considerations may be obtained upon request addressed to the United States Atomic Energy Commission, Washington, D. C. 20545. Attention: Director, Division of Radiological and Environmental Protection.

Also enclosed is a copy of a notice which has been transmitted to the Office of the Federal Register for publication.

Sincerely,

Original Signed by
Albert Schwencer
