and 50-287

OCT 10 1972

A. Giambusso, Deputy Director for Reactor Projects, Directorate of Licensing  
THRU: R. C. DeYoung, Assistant Director for Pressurized Water Reactors, L

FLASH MEMO - STATUS OF SAFETY REVIEW ON OCONEE 2/3

Because of the status of T.R. Safety Review on Oconee 2/3 we will  
not be able to meet the November ACRS meeting. Schedule change request being  
initiated for two months slip of ACRS meeting. Prospective decision date  
not affected.
