

8005280 771

U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

This is in reference to the Off-Site Emergency Prepared
Criteria for Low Power Testing (North Anna, Salem and Diablo
Canyon).

The Federal Emergency Management Agency concurs in the
Joint Steering Committee Statement concerning the three
nuclear power plants named above.

Sincerely yours,

John W. McConnell
Assistant Associate Director
for Population Preparedness

Dist.
Bob Ryan
Mr. McConnell
