Subj: Limited Appearance Statement

Dear Mr. Chilk,

Early in 1979, at a date yet to be specified, the NRC will be holding hearings to determine the owner's fitness to operate the referenced nuclear power plant. As a mechanical engineering student, worker in the electric industry and former resident of Berwick, I wish to address the convenors of the referenced hearings.

Please make the appropriate arrangements for me to make a limited appearance statement at this hearing and apprise me in writing that you have done so. Also, please advise when and where this hearing will be held. Thank you.

sincerely,

James E. Cornley
