DUKE POWER COMPANY POWER BUILDING . 422 SOUTH CHURCH STREET, CHARLOTTE, N. C/28242 November 10, 1976 WILLIAM O. PARKER, JR. VICE PRESIDENT STEAM PRODUCTION Director Office of Management Information and Program Control U. S. Nuclear Regulatory Commission Washington, D. C. Re: Oconee Nuclear Station Docket Nos. 50-269, -270, -287 Dear Sir: Please find attached information concerning the performance and operating status of the Oconee Nuclear Station for the month of October, 1976. In response to your letter of October 29, 1976 which noted a discrepancy in previously reported operating data, the following correction is provided:

The January, 1975 "outage" hours as reported for Oconee Unit 3 in our February 7, 1975 operating data submittal is incorrect. The reported value is 307.0 hours; the correct value is 282.9 hours.

Very truly yours,

William O. Parker, Jr.
