Gentlemen:

Thank you for your letter dated March 23, 1973 informing us of the steps you have taken to correct the items of apparent noncompliance concerning AEC Construction Permit No. CPPR-51, which we brought to your attention in our letter dated March 2, 1973, pertaining to inspection 50-302/73-1. We will examine these matters during our next inspection.

A copy of the inspector's report of the inspection is enclosed. In accordance with Section 2.790 of the AEC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If the report contains no information which you believe to be proprietary, please inform us in writing within 20 days to this effect. In such cases, the report, as enclosed with this letter, will be placed in the Public Document Room.
