SUBJECT: NRC I&E BULLETIN NO. 79-01B
ENVIRONMENTAL QUALIFICATION OF CLASS 1E EQUIPMENT

REFERENCE: Letter - R. J. Pasternak to B. H. Grier (JAFP-80-290) -
April 14, 1980

Dear Mr. Grier:

The FitzPatrick Plant received from the Architect-Engineer on May 9, 1980 the report which we indicated in the referenced letter would be submitted to your office by May 15, 1980.

The report was reviewed by Mr. A. Finkel of your office at the FitzPatrick Plant on May 14, 1980. As a result of that review and discussion between Mr. Finkel, members of the FitzPatrick Plant Staff and members of the Architect-Engineer's staff, Mr. Finkel recommended that a number of changes to the format and description be accomplished prior to submittal. Accordingly, the Architect-Engineer has undertaken revision of the report to provide additional clarification and description. This work is expected to be completed by June 2, 1980 at which time the report will be transmitted to the FitzPatrick plant. The FitzPatrick Plant Staff expects to transmit the report to your office within five (5) working days of receipt.

If you have any questions please feel free to contact us.

Very truly yours,

Raymond J. Pasternak
