DETAILS

1. Meeting Attendees - Detroit Edison Company

Harry Tauber, Vice President, Engineering and Construction

Ed Hines, Assistant Vice President, Quality Assurance

W. J. Fahrner, Manager Fermi 2

H. F. Heffner, Director, Public Information

2. Meeting Details

At the licensee's request, an informal discussion was held to identify methods in which RIII/DE communications of public interest could be expedited and defined.

The scope of the discussions was limited to Region III communication policies and suggestions that could be developed to enhance communication. Some general discussions were held on construction activities at Fermi in addition to current regulatory topics.
