Docket No. 50-346

Toledo Edison Company  
ATTN: Mr. R. P. Crouse  
Vice President  
Nuclear  
Edison Plaza  
Toledo, OH 43652

Gentlemen:

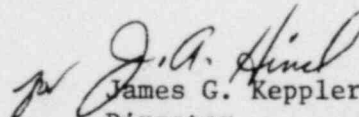

We have reviewed the proposal in your March 28, 1980, letter (Serial No. 1-123) for meeting the requirements of Section VII.2 of our March 5, 1980, Order to Modify the License.

We find your commitments referenced in your letter to the December 6, 1979, draft of ANS 3.1 acceptable for meeting the requirements of Section VII.2 of the Order with the following clarifications:

In meeting Section 5.2.1.8 of the draft ANS 3.1, you will provide training in supervising skills to new senior licensed operators subsequent to their obtaining a Senior Reactor Operator license but within six months after they are assigned shift duties as a Senior Reactor Operator.

Should you have any questions, please feel free to call us.

Sincerely,

  
James G. Keppler  
Director
