Docket Nos. 50-269 ←
 and 50-270

Honorable Robert McNair
 Governor, State of South Carolina
 State House
 Columbia, South Carolina 29201

Dear Governor McNair:

Enclosed for your information is a copy of a notice which has been published in the Federal Register. The notice relates to a facility license application filed by Duke Power Company for authorization to construct and operate a nuclear power plant at the applicant's Oconee site in eastern Oconee County, near Seneca, South Carolina. The proposed nuclear power plant will consist of two pressurized water reactors designated as the Oconee Nuclear Station Units 1 and 2, each of which is designed to operate initially at 2452 thermal megawatts with a net electrical output of 839 megawatts.

Also enclosed is a copy of the application, including Volumes I and II of the Oconee Nuclear Station Preliminary Safety Analysis Report.

By separate letters, per copies attached, we are sending copies of the notice to the Department of Labor, State Board of Health, State Development Board and the Pollution Control Authority for their information. We shall appreciate your designating the appropriate state official to coordinate the interests of the various state agencies and to serve as liaison with the Atomic Energy Commission. Any amendments to the application and related materials would be sent to the individual designated by you to act as the coordinating official.

Sincerely yours,

Original signed by
 H. Steele

for
 Edison G. Case
 Deputy Director
 Division of Reactor Licensing
