MOTION FOR EXTENSION OF TIME WITHIN WHICH  
TO FILE MOTION TO LIMIT OR QUASH SUBPOENA IN  
ATOMIC ENERGY COMMISSION PROCEEDING IN THE  
MATTER OF DUKE POWER COMPANY

Reference: Atomic Energy Commission Subpoena dated November 20, 1972, served upon Virginia Electric and Power Company, Seventh and Franklin Streets, Richmond, Virginia 23209, on November 27, 1972.

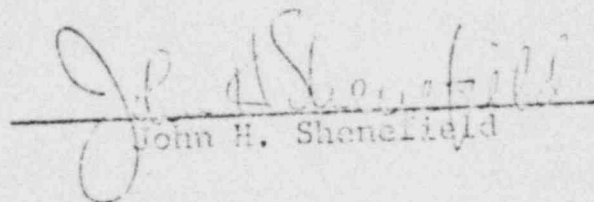

By counsel, Virginia Electric and Power Company moves for an extension of time of thirty days within which to respond or to file a motion to limit or quash said Subpoena.

7912200715

In support hereof, it is submitted that additional time is required to explore substantial legal questions governing appropriate responses to the Subpoena and to evaluate the requirements for extensive document production. It is impossible within the limited time available to ascertain the extent to which each category of documents meets the applicable standards of relevance and reasonableness.

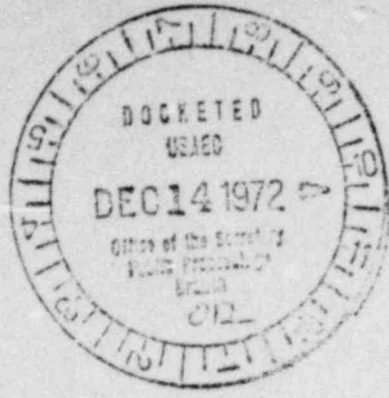

For the above reasons an extension of time to January 15, 1973 is requested in which to respond or to file a motion to limit or quash said Subpoena.

Respectfully submitted,

  
John H. Shenefield
