POOR ORIGINAL

Gentlemen:

This confirms the conversation of October 26, 1977, between Mr. Jim Donahue of my staff and Mr. William Green of your staff, that a meeting will be held between the NRC (Region III) and Toledo Edison Company representatives at the Davis-Besse site on November 4, 1977. This meeting requested by Region III, is to discuss the results of the physical security inspection conducted at the Davis-Besse Nuclear Power Station on October 11-14, 1977.

Sincerely,

J. A. Hind, Chief
 Safeguards Branch
