Reference: CPPR-57

Dear Mr. Phillips:

Enclosed for your information are recent clarifying amendments to the revised Appendix D to 10 CFR Part 50 of the Commission's regulations. These amendments include clarification as to which facilities will be affected by Section E of Appendix D.

Under the provisions of Section E of Appendix D you are required to furnish to the Commission before October 19, 1971, or such other later date as may be approved by the Commission upon good cause shown, a written statement of any reasons, with supporting factual submission, why, with reference to the criteria in paragraph 2 of Section E, your permit should not be suspended, in whole or in part, pending completion of the NEPA environmental review specified in Section B, C or D of Appendix D, as appropriate.

You are requested to submit 50 copies of the written statement and any supporting factual material.

Sincerely,

Harold L. Price  
Director of Regulation
