MEMORANDUM FOR: Theodore Sherr, NMSS
Bretta Weiss, OPE
Joanna Becker, ELD

FROM: Marvin R. Peterson, Acting Assistant
Director
Export/Import and International
Safeguards
Office of International Programs

SUBJECT: PROPOSED EXPORT THAT NO LONGER REQUIRES COMMISSIONER REVIEW
(XSNM01672)

Enclosed for your review are copies of a pending license application, favorable Executive Branch views, and proposed license for the export of 27.1 kilograms uranium to NUKEM in West Germany for the fabrication of fuel elements for the Ford Research Reactor at the University of Michigan.

Under revised 10 CFR Part 110 regulations, this type of export no longer requires Commissioner review. Unless we are advised by your office, within 7 working days from the date of this memorandum, of any particular issues which may require further analysis, it is IP's intention to issue a license for the proposed export.

A handwritten signature in black ink, appearing to read "Marvin R. Peterson".
