Re: Pacific Gas and Electric Company
Stanislaus Nuclear Project Unit No. 1
NRC Docket No. P-564A

Dear Mr. Chilk:

It has been brought to our attention that some pages of a document which were to be a part of an exhibit to Pacific Gas and Electric Company's Answers to the Fourth Set of Interrogatories Propounded by the California Department of Water Resources served on July 16, 1979, were not copied correctly.

I have enclosed for filing with the Answers a complete copy of Exhibit I to the Answers. The superceded Exhibit should be discarded and the replacement copy substituted in its place. This day I served copies of the Exhibit on those persons who were served the Answers.

I regret any inconvenience occasioned by our mistake.

Sincerely,

Richard L. Meiss
