Re: In the Matter of Northern States Power Company (Prairie
Island Nuclear Generating Plant, Units 1 and 2)
Docket Nos. 50-282 and 50-306
(Spent Fuel Modification)

Dear Mr. Barth:

We have received your June 19, 1980, letter to Gerald Charnoff, counsel for the Licensee, in which you state that the State of Minnesota's contentions dated April 24, 1980, were not received by the Docketing and Service Branch.

Enclosed for your files is a copy of the Certificate of Service dated April 24, 1980, the original of which was mailed to the Docketing and Service Section along with the original document containing Minnesota's contentions. It is unfortunate that these documents did not reach their destination. Thank you for forwarding a copy of the contentions to the Docketing and Service Section for docketing.

Very truly yours,
