IN RESPONSE REFER
TO FOIA-80-A-17
(FOIA-80-222)

Dear Mr. Varon:

This is in response to your letter dated June 3, 1980, in which you appealed Mr. J. M. Felton's May 5, 1980 response to your Freedom of Information Act request of April 14, 1980. That request sought copies of all records, documents, materials, or other information in the possession of the NRC concerning the Abalone Alliance and any information regarding the August 4, 1977 memorandum to the Deputy Attorney General et al from Director, FBI (via teletype) SUBJECT: Proposed Demonstrations by Clamshell Alliance and Abalone Alliance at San Onofre.

In response to your appeal we have again checked with the NRC offices which would have received a copy of the August 4, 1977 memorandum. This included the NRC Division of Security and the Information Assessment Team. Each office searched their files and reported that they had no records, documents or materials in their possession concerning the August 4, 1977 memorandum. Furthermore, these offices reported that they had no NRC or other government agency files, records or memoranda under the subject title of Abalone Alliance.

For your information, documents such as the August 4, 1977 memorandum are filed chronologically by date of receipt and not by subject.

Accordingly, for the reasons stated above and for the reasons stated in Mr. Felton's letter dated May 5, 1980, the NRC has no further documents subject to your request.

This is a final agency action. As set forth in the Freedom of Information Act (5 U.S.C. 552(a)(4)(B)), judicial review of this decision is available in a district court of the United States in either the district in which you reside, have your principal place of business or in the District of Columbia.

Sincerely,

William J. Dircks
Acting Executive Director
for Operations
