Mr. Charles Varon

IN RESPONSE REFER  
TO FOIA-80-222

Dear Mr. Varon:

This is in response to your letter dated April 14, 1980 in which you requested, pursuant to the Freedom of Information Act, copies of all records, documents, materials, or other information in the possession of the NRC concerning the Abalone Alliance and any information regarding the August 4, 1977 memorandum to the Deputy Attorney General et. al., from Director, FBI (via teletype) SUBJECT: Proposed Demonstrations by Clamshell Alliance and Abalone Alliance at San Onofre.

Enclosed, as listed in the Appendix, is a copy of a document relating to the Abalone Alliance of which the staff is aware. As I stated in my January 31, 1980 letter to you, to the extent that the Abalone Alliance or its members may have written to the NRC concerning any licensing or rule making matter, those letters would be in the public Docket files for the proceedings involved. There are public Docket files for the various nuclear plants located throughout California, and copies of documents concerning the Abalone Alliance may be contained there. For your information I am enclosing a listing of Local Public Document Rooms located in California.

Regarding your request for information on the August 4, 1977 FBI memorandum, the NRC has no records pertaining to this, but you may be able to obtain the information you seek by writing to the Federal Bureau of Investigation.

This completes action on your request.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Felton".

J. M. Felton, Director  
Division of Rules and Records
