IN RESPONSE REFER
TO FOIA-80-314

Dear Mr. McGarry:

This is in further response to your letter dated June 16, 1980, in which you requested, pursuant to the Freedom of Information Act, records pertaining to five categories of information with regard to the proposed Fire Protection Rule.

By letter dated June 27, 1980, we provided information concerning four of the five categories and advised that search was still underway for identification of records relating to item 3 of your request.

The search has now been completed and all but five documents relating to Item 3 of your request have been cleared for release and were placed in the NRC Public Document Room (PDR) located at 1717 H Street, N.W., Washington, DC 20555. They are identified in the enclosed Appendix. The remaining documents are undergoing review and you will be advised as soon as the review has been completed.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Felton".

rec'd 6-16-80

Re: Freedom of Information Act Request

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, Debevoise and Liberman requests copies of all documents prepared by the NRC, its Staff and consultants relative to the following:

1. The environmental impact of the proposed regulations regarding the Fire Protection Program for Nuclear Power Plants Operating Prior to January 1, 1979. See 45 Fed. Reg. 36082, May 29, 1980);
2. Preparation of the Value Impact Statement regarding the aforementioned proposed regulations;
3. Communications with the ACRS related to BTP 9.5-1, (including attachment A thereto), or the aforementioned proposed regulations;
4. The basis or supporting rational for the requirements contained in the aforementioned proposed regulations; and
5. The bases for the implementation schedule (and any surveys in support thereof) of the aforementioned proposed regulations.

Such documents should include any drafts, supporting material, studies, or other such reports, correspondence, testimony, regarding the aforementioned areas of interest.
